For: WIRELESS TERMINAL – INTEROPERABLE HOME NETWORK
SYSTEM**PETITION UNDER 37 C.F.R. § 1.181 FOR WITHDRAWAL OF
HOLDING OF ABANDONMENT**

Commissioner for Patents
U.S. Patent and Trademark Office
Customer Service Window, Mail Stop Petitions

Sir:

This is a Petition under 37 C.F.R. 1.181 requesting withdrawal of a holding of abandonment. The above-identified application was held abandoned for failure to pay the issue fee. A Notice of Abandonment dated June 13, 2006 was received in the Office of the undersigned on June 15, 2006. Upon receipt of the Notice of Abandonment, the undersigned reviewed the U.S. Patent and Trademark Office PAIR system and found that a Notice of Allowance was mailed on February 7, 2006, but was never received by Applicant. Additionally, the undersigned hereby states that, at the time the file was reviewed, a Notice of Allowance was not present in the file of the above-identified application.

Applicant respectfully requests that the holding of Abandonment for failure to pay the Issue Fee be withdrawn in this application, and that all papers mailed be re-dated and mailed to Applicant. As detailed in MPEP § 711.03(c), and under the holding of Delgar Inc. v. Schuyler, 172 USPQ 513 (D.D.C. 1971), Applicant requests the withdrawal of the holding of Abandonment, since the initially mailed Notice of Allowance and Issue Fee due (and/or any other papers) were not received by the law firm representing Applicant, and a search of the file jacket and the docket records, prior to filing the instant petition to withdraw the holding of abandonment, by the undersigned indicated that the Notice of Allowance and Issue Fee Due, and Notice of Allowability were not received.

A copy of the docket record for the above-identified application (for the period extending from the February 7, 2006 mailing date of the Notice of Allowance and Issue Fee due, to the June 15, 2006 date that the Notice of Abandonment was received), where the non-received Notice of Allowance and Issue Fee Due would have been entered, had it been received and docketed, as well as the docket card where receipt of the Notice of Allowance would have been recorded, are attached to this Petition.

Accordingly, since Applicant's representative has never received the Notice of Allowance, Applicant respectfully requests the withdrawal of any holding of Abandonment for failure to timely respond to a statutory period (in this case, the time period for payment of the Issue Fee), and the mailing of a new Notice of Allowance and Issue Fee due and a new Notice of Allowability with a new response period being set.

If there should be any questions concerning this application, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
In Hwan LA
